***District Goals for 2010-2011***

***Our Mission Statement:***

***The mission of the Monroe Township Public School District, an education team, is dedicated to the development of the potential and uniqueness of the individual student to become effective participants in an evolving global society.***

## ***Our Beliefs...***

- All people have equal intrinsic worth.
- Individuals are life-long learners.
- Every child can learn and succeed.
- Education prepares individuals to make a successful transition into the global community.
- Learning occurs in a safe, secure and disciplined environment.
- The child's well being is the foremost consideration in decision making.
- Higher expectations yield higher results.
- Excellence is achievable and always worth the investment.
- Schools are most effective when there is a shared commitment among the home, school and business communities.

## ***Our Goals...***

***To fulfill the mission of the Monroe Township Public School District .***

***To underscore our beliefs, the BOE has adopted the following three goals for the 2010-2011 school year.***

**Goal One:** *To encourage innovative programming that optimizes student instructional time and use of the district's financial resources.*

**Goal Two:** *To maintain frequent and quality communication within the organization and throughout the community so as to foster understanding of an support for the mission of the Monroe Township Public School District.*

**Goal Three:** *To pursue community and corporate partnerships that will provide new or enhanced learning opportunities, strengthen connections with the local business community, as well as cultivate potential classroom resources and/or financial support.*
