Dear Parents and/or Guardians,

The Monroe Township School District will be participating in the "Gloucester County Teacher Recognition Program".

This program is an integral part of Gloucester County's initiatives to recognize our many fine teachers. By honoring teachers' achievements, this annual program aims to help increase the stature of teaching, attract talented people to teaching careers, and encourage experienced teachers to remain in the profession.

As part of this process, a teacher recognition selection panel, consisting of nine members, is established. This panel will consist of teachers, administrators, parents, and citizens of our town. By following specific guidelines, they will nominate one teacher from each school to receive this honor.

The panel requests your input in assisting them with the selection of the recipients. We have many excellent teachers and are proud of our entire staff, but we can nominate only one teacher from each school. Attached, you will find a nomination form. If you would like to nominate a teacher, please complete the form and place it in a sealed envelope. Label the envelope "**Gloucester County Teacher Recognition Program**" and send it to school with your child. Once your child's teacher receives your nomination, it will be forwarded to the principal's office. Nominations must be received no later than Friday, January 27, 2012.

Thank you for your continued support of our schools and programs.

Sincerely,

Charles M. Earling  
Superintendent of Schools
