

September 2011

Dear Parent(s)/Guardian(s):

Your child, _____, has been selected to participate in the Monroe Township Public Schools' state-mandated Basic Skills Instructional Program for grades K - 12 in the following area(s):

_____ Language Arts Literacy _____ Math

Selection was based on multiple measures criteria which include student performance on the state NJ ASK 3 – 8, standardized or district tests, teacher recommendation, classroom performance, and writing samples.

The Basic Skills Program provides students with the advantage of supplemental instructional intervention in the classroom setting, as well as small group instruction. An Individual Student Improvement Plan (I.S.I.P.) will be developed to meet your child's specific needs.

Activities will include the use of a variety of differentiated instructional techniques and strategies, use of manipulatives, and hands-on experiences with the infusion of technology.

Enclosed is the Parent/Teacher/Student Agreement. We ask that you and your child sign this agreement and kindly return to your child's teacher as soon as possible but no later than September 30, 2011.

If you have any questions or concerns, please contact the school staff or feel free to speak with your child's teacher.

Sincerely,

Jeff Johnson
Principal
